JEI REQUIREMENTS FOR PAPERS PRESENTED AT THE 2019 AFEE MEETING ATLANTA, GEORGIA

Papers presented at the annual meeting of AFEE may be submitted for publication in the subsequent June issue of the *Journal of Economic Issues*. As with other manuscripts submitted to the *Journal*, the final decision to publish a paper is the responsibility of the editor. Journal space is limited and it is not possible to publish all papers. Publication is not guaranteed. The following **guidelines will be strictly enforced**.

To be considered for publication in the *Journal of Economic Issues* annual meeting issue (June), papers must be:

- No more than 2,850 words of text (approximately ten double-spaced pages, not counting footnotes, references, and graphics).
- No more than four pages **total** double-spaced footnotes and references, tables, and figures.
- In electronic format readable with Word.
- In final form and in *JEI* format at time of submission (see instructions to authors on AFEE Web site or at the back of any recent issue of *JEI*).
- To the *JEI* editor, the program chair, and the session discussants no later than **December 17, 2018**. Please note that this is a strict deadline. Notification will be sent to those whose papers are accepted by mid-April.
- Submitted to editor as an e-mail attachment (jei@hws.edu) and received by the **December 17, 2018, deadline**.

Note:
The *JEI* editor should **not** have to perform the editing necessary for papers to meet these requirements.
